*IPv6:	yes no	*Peering policy	

Remote LU-CIX peering From BNIX to LU-CIX

Service ID	Description	NRC (VAT excl.)	MRC (VAT excl.)	Tick your choice
BNIX_05	Remote LU-CIX peering up to 2 Gbps	250,00 €	50,00 €**	

Particular conditions:

**Possibility of a 6 months free of charge "Try & Buy" period after which, in absence of a 14 days prior termination notice, the member will be tacitly committed for the following 12 months (called "initial period").

The service will be invoiced as follows: installation 250 € & annual service fee 600 €. After the "initial period", the renewal will be tacit on the anniversary date (start date of the initial period) for 1 year, cancellable on the anniversary date with a 2 months' prior notice.

The service is invoiced on a calendar year basis.

By signing this order form, the Requester acknowledges and expressly accepts that the BNIX General Terms and Conditions form an integral part of this contract and to comply to the LU-CIX ASBL Peering Policies available at:
